Eugen Klein, Royal Le Page Westside Klein Group founder and principal, was recognized as a Top 40 Under 40 in 2013, shortly after completing his term as President of the REBGV. The BC native started his career after he graduated with a Bachelor of Commerce Degree from the University of British Columbia. He founded the Klein Group in 1999, which is now an industry leading real estate brokerage in Vancouver.

This magnificent Robert Ledingham designed residence is situated on a private, estate property in one of West Vancouver's most exclusive neighborhoods of the British Properties, offering spectacular panoramic views of the ocean, downtown Vancouver, Stanley Park and Vancouver Island. The modern architectural elegance and grandeur with its exterior and beautiful landscape across almost an acre of south facing property, create a majestic presence providing over seven thousand square feet of formal and informal living on three expansive levels. Exquisite design, master craftsmanship, floor to ceiling windows, and opulent finishes give this residence an open and bright California feel, together with an impeccable choice of quality materials blend seamlessly to create the perfect balance of indoor and outdoor living.
